

COVID Guidelines

We are so excited that this tournament is happening but we must take appropriate precautions.

Please **do not** come to the tournament:

- If you have felt sick, are feeling sick
- If you have been around someone who was COVID positive
- If you have been out of the country recently
- If you have a cough, shortness of breath, or fever
- Please leave friends and family at home.

If you have any doubts **AT ALL** about fishing, please remove yourself and your registration fee will be returned.

All of our tournament volunteers will be masked and we also recommend wearing a mask when you're in the presence of others. After each boat has weighed in, we will be asking all participants to either leave the area or stay very socially distant for the protection of all involved. We will only be paying the first prize at the event so whoever is in first place will need to stay for the Lie Detector test. All other prizes will be mailed after the event. We are sorry for any inconvenience this may cause but we have to adhere to both TVA and community guidelines.

Return Entry with fee to:

Sertoma Charities

Thank you to our Sponsors

Knoxville's Tire Store Since 1948

SERTOMA exists as a network of independent charitable civic organizations, connected at the local level through a national and international foundation. The Purpose of SERTOMA is to provide "service to mankind" by promoting freedom and democracy through the realization of local community needs. Every year Sertoma clubs nationwide raise more than \$20 million for local community service projects. Through these projects, as well as grants and scholarships, Sertoma clubs return those funds to their respective communities – and they have lots of fun doing it while building life- long friendships.
